Dear Parents/Carers,

Re: Year 10 Mock Examinations and Preparation

As part of our programme for preparing our students for their summer exams in 2024, we have scheduled a series of mock examinations for Year 10 to begin on **Tuesday 2 May 2023** until **Friday 12 May 2023**, excluding the May bank holidays. These mock examinations are designed to give students a realistic experience of an examination setting, and a chance to judge where they need to focus their efforts as they finish the first year of Key Stage 4. The timetable for these exams can be found accompanying this letter, and on the school website.

In the coming weeks, students will receive a programme of revision support through form time sessions aimed at helping students structure their time wisely, locate and use revision resources, and look at different revision techniques that can help them to succeed this year and beyond.

If you have any questions regarding any of the preparations for the Year 10 exams this year, please don't hesitate to contact either me or Mrs Warner, the Exams Officer, at the college.

Yours sincerely,

Jon Barton
Vice Principal
